

We are happy to announce  
 Northeastern Oklahoma A&M College will  
 offer **academic credit** to participants of the  
**11<sup>th</sup> National Conference on Tar Creek.**

The course is **BIOL-1001-P10**  
**Special Problems in Science**  
**11<sup>th</sup> National Conference on Tar Creek**  
 and the instructor is **Mrs. Melinda Huff.**

In order to receive 1 academic credit-hour from  
 Northeastern Oklahoma A&M College, conference  
 participants must complete a pre-test, attend the  
 entire conference September 22-24, 2009 and  
 complete a post-test *and* environmental plan with  
 passing grades.

Participants must register for this course through the  
 NEO Registrar's Office and pay related tuition and fees  
 through the NEO Business Office.
